

Smart, flexible business account & funding solution

Access cash tied up in sales to accelerate growth and boost working capital with an all-in-one solution.

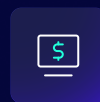

The Flexible Trade Account

Unlock Funding

Access the cash owed to you - whenever you need it

Make Payments

Transfer funds or pay suppliers directly from your account

Manage Risks

Real-time insights to help you identify risks to your business

Improve Productivity

Use our automation features to save time and stay focussed on your business

Built to fuel your growth

Whether you're covering payroll, investing in growth, or simply in need of a short term boost of cash, the FTA gives you control, confidence, and capital - no paperwork, friction or distractions. Dynamic account limits offer a flexible and personalised working capital solution that scales with your business.

Why an FTA: the all-in-one business account and funding solution

- More dynamic than an overdraft
- More scalable than a business loan
- Simpler than invoice finance
- Cheaper than a credit card

How it works

1.

Open an account

2.
